Later in her session , she spoke on how to create simple and interactive dashboards. She explained regarding different types of dashboards, different editing options in terms of colour, images and types of dashboards.

She demonstrated the visualisation of tableau charts, pareto charts, how to create dashboards, how to apply various colour schemes in dashboards etc.

In the last session, she discussed regarding story telling through Tableau. How data stories can be used to communicate with decision makers, and how your data stories can be used to impact lasting change in the world.

Further she used sales dataset for creating story and explained step by step how to create effective story and presentations. Overall the session was highly appreciated by all students.

At the end the feedback form was shared to all participants . The webinar was concluded with vote of thanks.

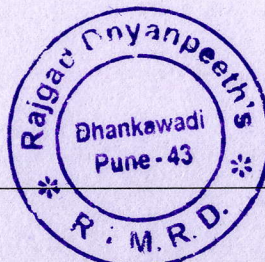

Outcome:

1. Students learned regarding importance of Data Visualisation .
2. Students studied how to create dashboards in Tableau
3. Students learned how to create story telling in Tableau
4. All participants got knowledge of difference between Tableau Desktop and Tableau public software version

Objective of Programme:

- To enable the students to learn the concepts of GST.
- To understand the importance of indirect taxes (GST) .

Description of Programme:

GST aims to replace all indirect levied on goods and services by the Indian Central and State governments. GST would subsume with a single comprehensive tax, bringing it all under a single umbrella, eliminating the cascading effect of taxes on the production and distribution prices of goods and services, to get knowledge about GST among students.

Rajgad Institute of Management Research and Development had organized a online Webinar on '**Introduction to GST**' on **28th October 2021**. Objective of the session was to make students aware about concept of GST & importance of GST. Guest Dr. Smita Pande has given very informative information about GST. She also explained basic concept of GST and how it's applicable in any business sector. She also explained different indirect taxes and how it is applied.

The session concluded with a vote of thanks proposed by Ms.Madhuri Kakade.

Outcome:

- The programme helped in creating awareness about GST among students. Students got information about GST and its importance.

Objective of Programme:

- To know the basics of Capital Markets
- To know-how on industry expectation in financial organizations

Description of Programme:

Capital markets are financial markets that bring buyers and sellers together to trade stocks, bonds, currencies, and other financial assets. Capital markets include the stock market and the bond market. They help people with ideas become entrepreneurs and help small businesses grow into big companies. They also give folks like you and me opportunities to save and invest for our futures. The speaker gave some real life example to understand basics of capital markets in an interactive manner using Money control website and other interactive tools. He finished the webinar by recommending useful and insightful courses and value addition workshops related to capital markets. The webinar was attended by **18 students**.

Outcome:

- Students understood the basics of Capital Markets
- Students got to know what are expectations from employer

Tower Building Game

5th January 2022

Objective of Programme:

- To illustrate how well can teams use the available resources.
- To identify who plays the role of a leader & who are the followers & how do they act as a team.

Description of Programme:

HR House of Rajgad Institute of Management Research and Development, Pune had organized a activity on **Tower Building Game** for MBA first year and second year HR Specialization Students. This was a team-building activity involving creativity, co-ordination and teamwork.

We divided students into groups (2 students in each group), and hand over all the necessary materials (bundles of newspaper, roll of tape and scissor) needed to build a tower. 1 scissor and tape kept common between two groups. Then students had to make the tallest tower within 15 Minutes. Mr.Anant Kulkarni was the jury, he analyzed the group's performance on the basis of some parameters and announced the best performer as well as winner team, first and second runner up team and distributed prices.

Total numbers of 86 students were participated in this activity.

Outcome:

- All students got the knowledge about teamwork.
- Students understood the importance of teamwork.

Activity Report

Topic: OSCM Fishbone Activity

Objectives of Programme:

1. To make newly admitted students aware of active OSCM House in the institute
2. To introduce students the concept of Fishbone Diagram and its implementation
3. To brainstorm students ranges of ideas that played a part in the effect described on the fish's head, which can be a positive, neutral or negative outcome.

Description of Programme:

Rajgad Institute of Management Research and Development, Pune organized Induction Programme of one week. Keeping in mind the pandemic restriction, institute took an effort to conduct sessions online on Google meet platform. In the Induction schedule, OSCM house was allocated one session on 7th January 2022 for conducting house activity.

The house activity session started with welcoming and introducing the students to the OSCM house of the institute. OSCM house had planned to conduct an activity based on Fishbone diagram for the newly admitted students. The activity started with introduction of the concept and then after solving situation based problem on fishbone. The activity was solved with the use of Google meet tool- white board and the session was kept open to all the students for their inputs.

In similar way multiple examples on real life business and general situations were given to the students for solving the problem with fishbone diagram. It was a good brainstorming activity in which students actively participated and enjoyed.

Total 38 of the students participated in the activity making it a success. Session concluded with vote of Thanks by Asst. Prof. Manjiri Kalyankar.

Outcomes of the event:

1. Students learned the concept of Fishbone and enjoyed the activity.
2. Students were motivated to explore multiple causes that contribute to an outcome given to them as an activity assignment.
