Facilities towards Gender Sensitivity

Safety and Security

Rajgad Dnyanpeeth has appointed two security guards at Rajgad Dhankawadi campus. Security staff nears the main gate providing with 24 hours security. Due care is taken to provide security to the students and staff of various colleges, institutes and school. Thus crime such as theft and physical abuse are never reported in the premises. The very fact that there is someone watching for crime and assisting law enforcement is a great way to discourage situations that can cause trouble for students and faculty. Telephone connectivity is provided at the main gate of the institute so that the guards can inform the office/Director in case of authorized/unauthorized entry or emergency.
