Tower Building Game

7 Dec 2022

Objective of Programme:

- To illustrate how well can teams use the available resources.
- To identify who plays the role of a leader & who are the followers & how do they act as a team.

Description of Programme:

Marketing House of Rajgad Institute of Management Research and Development, Pune had organized a activity on **Tower Building Game** for MBA first year and second year Marketing Specialization Students. This was a team-building activity involving creativity, co-ordination and teamwork.

We divided students into groups (6 students in each group), and hand over all the necessary materials (bundles of newspaper, roll of tape and scissor) needed to build a tower. 1 scissor and tape kept common between two groups. Then students had to make the tallest tower within 15 Minutes. Dr.Amol Nikam was the jury, he analyzed the group's performance on the basis of some parameters and announced the best performer as well as winner team

Total numbers of 48 students were participated in this activity.

Outcome:

- All students got the knowledge about teamwork.
- Students understood the importance of teamwork.

AD –MAD Show

23 NOV 2022

Objective of Programme:

- Provide a platform for students to unleash their creativity and expand their knowledge.
- Evaluate teamwork dynamics and observe the collaborative process in developing new advertisements based on individual and collective creativity.

Description:

The Marketing House of Rajgad Institute of Management Research and Development, Pune, organized an AD-MAD SHOW activity for first and second-year MBA Marketing Specialization students. This engaging role-play activity emphasized creativity, coordination, and teamwork. Students were divided into four groups, each comprising five students, and equipped with essential materials such as pens and paper for scripting. The groups were assigned different sectors (Agriculture, Insurance, Tourism, Pharma, FMG), and they had to select a product within their assigned sector to develop a script. Following the script, students were tasked with creating a distinctive advertisement and presenting it. Dr. Amol Nikam served as the judge, evaluating group performances based on predefined parameters and announcing the best-performing team.

Outcome:

- Students gained valuable insights into the dynamics of teamwork.
- The activity facilitated the enhancement of students' skills in vocal expression, voice modulation, and dialogue.
- A total of 44 students actively participated in this enriching activity.

- To experience the working environment in industry and visualize all the important Departments in the Industry.
- Interaction of students with the peoples of all important departments.
- To prepare the students for the selection of carrier path in different departments of industry..

Description of the Programme:

Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim industrial visit is to provide an exposure to students about practical working environment .They also provide students a good opportunity to gain full awareness about industrial practices. Through industrial visit students get awareness about new technologies and new management techniques, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an industrial visit.

RIMRD has organized Industrial visit @ Katraj Dairy. We arrived at Katraj Dairy at 10:00 AM. After that we gathered at the front gate and visited various sections of Katraj Dairy .we started with the animation movie for showing glimpse of Katraj dairy from its beginning at auditorium of dairy memorial. It also gave introduction of company profile and its present functioning in dairy industry for different milk products. The technical team has explained automation of dairy through presentation containing many functional block diagrams and existing computerized controlled machineries. After that the students visited 4 different sections of Katraj Dairy Plant:

1)Katraj Desi Ghee unit , where the students were informed of Desi Ghee production in Katraj Dairy.

Event Report- KYOSO 2023

Objectives of the Event:

- To hunt for the excellence and explore the innovative and high-quality Summer projects
- To develop leadership qualities among students
- To improve communication skill, organizing skill and coordinating skills among students

Description of the Event:

KYOSO is an Intercollegiate Summer Project/ Dissertation Competition initiated by RIMRD in 2019. The objective behind organizing this event is to hunt for the excellence and explore the innovative and high-quality Summer projects. KYOSO is a platform for students to showcase their research work and share experiences during the period of SIP the final semester of MBA. The competition is organized for MBA final year students.

Decentralization and Participative Management at RIMRD is depicted through appointment of various coordinators and formation of various committees for successfully carrying out the event.

In A.Y. 2022-23 this event was conducted. Work is distributed among a faculty coordinator and student coordinators.

1) Internal Quality Assurance Cell: IQAC Head in consultation with Director of the institute takes decisions to organize intercollegiate project competition – KYOSO and Director appoints the faculty coordinator for the event in consultation with the director of the institute.

2) Budget Preparation and Approval: The coordinator of the event writes application to seek permission from secretary mentioning tentative dates and nature of competition and budget to organize competition in the institute. Budget is prepared for the same

3) Formation of Committees: After seeking approval from secretary, event coordinator conducts meeting with faculty and students and form various committees and distributes work among them. Student coordinators were appointed as mentioned below.

Mr. Suman Kumar – 7667483291

Ms. Sneha Bhokre – 9850041725

Ms. Ashwini Zurange – 9763010642

Ms. Samiksha Patil - 9322642127

The committee carried after Brochure & Certificate design, event campaigning, preparation of event schedule, preparation of Google form for the event registration, certificate distribution etc.

4) Design of leaflet and participation certificate: Committee coordinate with the vendor assigned by the institute for brochure and certificate design. Competition brochure (pdf) and participation certificates (pdf) are designed after taking final approval from Director of the institute.

5) Online Campaigning of Event: Event leaflet was distributed online through different email and whatsapp group of management faculty and MBA-I and II year students.

6) Experts / Resource person is finalized by the faculty coordinator in consultation with Director

8) Anchoring & Presentation Schedule was prepared and shared across the participants.

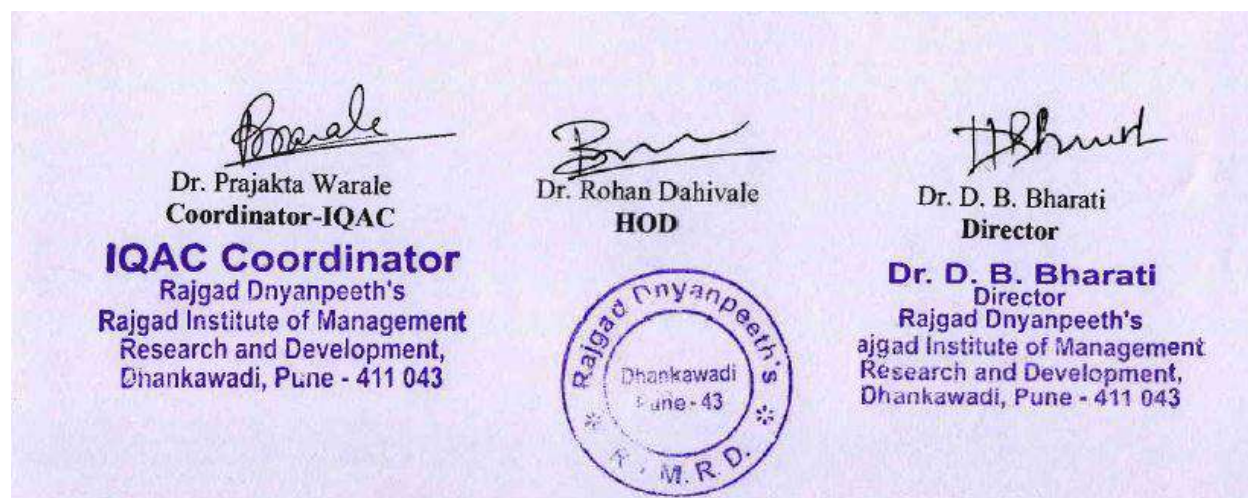

9) Google form was designed for registration of event.

10) Google link was generated for the event and shared across all whatsapp group of MBA-Ist and II year students and Kyoso 2023 group.

11) Prize/ Certificate distribution was done online. Winners was given a cash prize of Rs.1000/- and Runer up was given cash prize of Rs.500/-. A jury of the competition judged the competition
