## Description of Programme:

The "Management Fair" was a dynamic event organized by institute, featuring a diverse array of food stalls and start-up shops. The event was designed to resemble a marketplace, with each stall showcasing unique products and services created by the students.

The fair kicked off with an opening ceremony, during which the organizers welcomed attendees and introduced the purpose and format of the event. Following the ceremony, attendees were free to explore the various stalls set up around the venue.

The food stalls offered a wide range of culinary delights, including homemade snacks, beverages, and desserts. Students demonstrated their culinary skills and entrepreneurial spirit by preparing and selling delicious treats to the attendees.

In addition to the food stalls, the fair also featured start-up shops where students presented their innovative business ideas and products. From tech gadgets to handmade crafts, the start-up shops showcased the creativity and ingenuity of the student entrepreneurs.

Throughout the event, interactive activities such as live demonstrations, product trials, and entrepreneurial workshops were organized to engage attendees and provide them with valuable insights into the world of entrepreneurship.

## Outcomes of the event:

1. Total 10 staff members & 59 students were present for the program.
2. Students had the opportunity to showcase their entrepreneurial ventures and gain

exposure for their business ideas among peers, faculty.

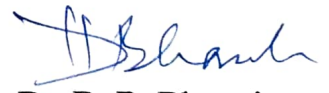

3. The event facilitated networking and collaboration among students, fostering a sense of community and mutual support among aspiring entrepreneurs.
4. Participants received valuable feedback and validation for their products and business concepts, helping them refine their ideas and strategies.
5. The fair inspired attendees to explore entrepreneurship as a viable career path and provided them with motivation to pursue their entrepreneurial dreams.

## Topic: Industry Visit to Katraj Dairy

### Objectives of Programme:

1. To study Katraj Dairy's practices for maintaining product quality and food safety across its supply chain.
2. To explore the specific challenges faced in dairy production, processing, and distribution.
3. To understand the methods employed by Katraj Dairy to optimize operations, reduce costs, and improve supply chain productivity.
4. To analyze how Katraj Dairy adapts to evolving consumer preferences, such as increased demand for organic or fortified dairy products.

### Description of Programme:

The field visit to Katraj Dairy was an enriching educational experience, engaging 20 enthusiastic students under the mentorship of 3 esteemed faculty members. The visit offered participants an in-depth understanding of the **operations and supply chain management practices** in the dairy industry, highlighting its unique challenges and opportunities.

The program emphasized key aspects such as **efficiency enhancement, quality assurance, sustainability**, and the role of **technological advancements** in modernizing dairy operations. Through interactive discussions and practical exposure, students explored strategies for maintaining food safety, adhering to regulatory frameworks, and meeting evolving consumer demands.

Participants also gained insights into Katraj Dairy's efforts to foster partnerships, optimize logistics, and implement sustainable practices, preparing them to address the complexities of food supply chain management. This hands-on experience empowered attendees with valuable industry knowledge and skills to excel in the dynamic and competitive landscape of the dairy sector.

### Outcomes of the event:

1. Students gained valuable insights into the challenges of managing dairy operations, including production, logistics, and distribution.

2. Participants learned practical skills to optimize operations, enhance efficiency, and ensure quality in the dairy supply chain.
3. Participants were inspired by Katraj Dairy's innovative practices, motivating them to explore advanced techniques in the dairy industry.
4. Attendees are now better equipped to apply their knowledge in real-world scenarios, improving decisions, performance, and sustainability.
5. Total 3 faculty members & 20 students were present for the program.
