## Free Medical Camp at Bhor City

### Objectives:

- To raise awareness about various health issues and provide essential health screenings to the local community of Bhor City.
- To celebrate the birthday of our Founder Secretary by giving back to the community through a meaningful health initiative.
- To provide villagers with access to free health check-ups, including screening for diseases like heart disease, high blood pressure, diabetes, eye problems, cancer, and other common health issues.

### Description:

On the occasion of the birthday of our Hon. Secretary Madam, RajgadDnyanpeeths organized a comprehensive health campaign in Bhor City. The event, held on 26/09/2023, aimed to serve the local community by addressing various health concerns and providing free health screenings and treatments.

The health campaign included a team of medical professionals, faculty members, and student volunteers from Rajgad Institute of Management Research & Development, Pune. The event featured free health check-ups for a range of diseases, including heart disease, high blood pressure (BP), diabetes, eye problems, cancer, and other common health conditions. Villagers were given the opportunity to receive screenings for these diseases, with medical experts on hand to provide consultations and advice.

The screening included:

- **Heart Disease:** Blood pressure checks and heart health evaluations.
- **Blood Pressure (BP):** Regular BP monitoring to detect any abnormalities.
- **Diabetes:** Blood sugar level tests to screen for diabetes.
- **Eye Problems:** Eye check-ups to detect any vision issues, with recommendations for further treatment if necessary.

- **Cancer Screening:** Basic checks and awareness about common cancers, with referrals to specialists for further investigation if required.

In addition to the health screenings, the campaign provided information on disease prevention, healthy living, and early detection practices. Free health kits, containing vitamins, essential hygiene products, and informational pamphlets, were distributed to help the villagers maintain better health in their daily lives.

#### Outcomes:

- Many villagers took advantage of the free health check-ups.
- The villagers appreciated the initiative, with many expressing gratitude for the free health services and for being able to consult medical professionals about their health concerns.
- Total 15 students participated in this event from RIMRD.

## Street Play on Save Water

### Objectives:

- To create awareness among the public about the importance of conserving water and using it judiciously.
- To highlight the severe consequences of water wastage and the urgent need for collective action in water conservation.
- To encourage people to adopt water-saving habits in their daily lives, such as fixing leaks, reducing water usage, and preventing water pollution.
- To utilize street play as an effective medium for spreading a social message and engaging with a diverse audience in a crowded public space.

### Description:

A street play on the theme "**Save Water**" was conducted by Rajgad Institute of Management Research & Development on 19/10/2023 at Dhankawadi Post Office Chauk. The location was carefully chosen due to its heavy foot traffic, ensuring that the message of water conservation would reach a large and diverse audience. The play was performed by a group of enthusiastic students who used drama, humor, and powerful dialogues to convey the importance of saving water. The participant's students highlighted common scenarios of water wastage in households and public places, such as leaving taps running, excessive water usage for cleaning, and neglecting leaks. Through these scenes, they demonstrated the simple steps individuals can take to save water, like fixing leaks, using buckets instead of hoses, and harvesting rainwater.

The street play also emphasized the long-term consequences of water scarcity, including droughts, crop failures, and water shortages, which can lead to severe economic and social impacts. A large crowd gathered during the performance, including pedestrians, shopkeepers, and commuters, all of whom were drawn to the energy and passion of the performers.

**Outcomes:**

- The street play successfully raised awareness about the importance of water conservation among a large number of people, making a notable impact in a bustling public space.
- The event fostered a sense of community responsibility, motivating individuals to make small but meaningful changes in their daily routines to protect water resources.
- Total 21 students participated in this event.

## Objectives of Programme:

- To encourage a sense of civic duty and active participation in students by highlighting their crucial role in shaping the nation through voting.
- To provide students with a clear and supportive process for voter registration, offering guidance and information on required documentation.
- To emphasize the fundamental importance of voting as a cornerstone of democracy.

## Description of Programme:

In collaboration with the Election Committee, the voter registration awareness campaign was held at Rajgad Institute of Management Research & Development, Pune with the primary goal of engaging students in the voter registration process. Officers from the Election Committee were present to guide students through the voter eligibility requirements, the steps involved in registration, and important deadlines. Multiple information booths were set up to provide one-on-one assistance, where students could receive help with completing their registration forms and resolving any doubts they had. Additionally, pamphlets and visual materials were distributed to make the registration process more understandable and accessible.

A key element of the event was encouraging students to support others in their voter registration efforts, fostering a strong sense of community involvement and civic responsibility. The campaign focused on encouraging new voter registrations among students and emphasized that voting is not merely a right but a responsibility that allows individuals to contribute to shaping the future of their communities and the country as a whole.

The participants were also informed about the essential documents required for the registration process, such as valid identification, proof of residence, and other relevant paperwork as per electoral guidelines.

## Objectives:

- To raise awareness about the importance of tree planting and environmental conservation among students and faculty.
- To contribute to increasing green cover and improving the ecological balance in the Khadakwasla region.
- To motivate students to actively participate in efforts to address environmental challenges like deforestation, global warming, and habitat degradation.
- To emphasize the various benefits of trees, including oxygen production, air purification, climate regulation, and habitat protection for wildlife.

## Description:

As part of its commitment to environmental sustainability, RIMRD organized its annual tree plantation drive under the Social Soul Cell in collaboration with Green Thumb NGO. This NGO has MOU with RIMRD and is actively involved in various environmental activities, such as tree plantation and cleaning initiatives around the Khadakwasla Dam. Every year, the institute participates in these activities to contribute to environmental conservation and restoration. This year, the tree plantation event was conducted with great zeal and enthusiasm, marking another successful collaboration with Green Thumb.

The tree plantation activity took place at Khadakwasla, Pune, where 350 saplings were planted with active participation from both students and faculty members. A total of 66 students took part in the drive, demonstrating their enthusiasm for the cause. The event was well-organized, and participants were provided with saplings to plant in pre-designated areas around Khadakwasla Dam.

The students gained valuable insights into the importance of trees in maintaining ecological balance and biodiversity. They learned that planting trees on abandoned or degraded land not only restores the area but also contributes to increasing habitat for various species. The event

emphasized that trees play a crucial role in providing essential resources such as oxygen, wood, food, and medicine, while also regulating the water cycle, reducing the effects of climate change, and offering shelter and shade.

### Outcomes:

- The event successfully raised awareness among students about the importance of tree planting and environmental conservation.
- Students gained a deeper understanding of the benefits of trees and the critical role they play in addressing environmental challenges.
- The tree plantation drive contributed to increasing green cover at Khadakwasla, helping to improve local biodiversity and restore degraded land.
- Total 66 students took part in this program.

## Swachha Bharat Abhiyan

### Program Objectives:

- To create awareness about the significance of cleanliness and hygiene in our daily lives.
- To promote cleanliness in and around the institute's campus.
- To encourage active participation and involvement of students in community service

### Program Description:

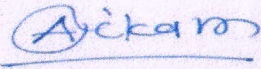

Swachh Bharat Abhiyan, a nation-wide cleanliness campaign, is a tribute to Mahatma Gandhi, the Father of the Nation, and his vision of a clean and hygienic India. We understand the importance of cleanliness and actively participated in this initiative to contribute to the national cause. Our students took the lead in cleaning the campus and common areas. They worked diligently to ensure our institute's premises were spotless. One of the central themes of the Swachh Bharat Abhiyan is to reduce plastic pollution. In line with this, our students collected plastic waste from the campus and placed it in designated dustbins for proper disposal and recycling. Both students and staff of RIMRD Institute actively participated in the event. This collective effort displayed our commitment to cleanliness and hygiene. Over 25 students and 5 staff members actively joined the Swachh Bharat Abhiyan event. The event created a positive impact on the cleanliness of our institute's surroundings, fostering a sense of responsibility and community engagement among the participants. Students displayed enthusiasm and dedication in maintaining the cleanliness of the campus, reinforcing their understanding of the significance of a clean environment.

The Swachh Bharat Abhiyan event at RIMRD Institute was a significant success. It not only contributed to a cleaner campus but also emphasized the importance of waste reduction and proper disposal. This event served as a reminder of our collective responsibility to maintain cleanliness and hygiene.

We extend our gratitude to all the students and staff who actively participated in the event, showing their commitment to the Swachh Bharat Abhiyan and the vision of a cleaner India.

**Program Outcome:**

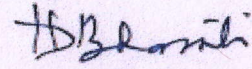

- Swachh Bharat Abhiyan has raised awareness about the importance of hygiene and sanitation among students
- Swachh Bharat Abhiyan has brought about a change in the behavior and mindset of students. They are more conscious of their actions and the impact on the environment.
