DECLARATION

RIMRD has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases. Regular meetings are held for making sure that no student faces any inappropriate experience in the institute or premises. Different committees have been established with members from teaching staff, non teaching staff and a representative amongst students of each academic year to maintain the balance of the committee.

From the academic year 2014-15 to 2018-19, there were no cases reported by any student regarding ragging, grievance or sexual harassment.
