Voting Center for Loksabha Election 2019

Voting is a right, a responsibility person in the India because it is our responsibility to be participants in the democratic process. A lot of young voters aren't sure if their single vote would make any difference. Each and every vote is decisive and has the power to impact the end result. It is the duty of every citizen that he educates himself and others about the contemporary issues and also analyses what each candidate has to offer. The votes we cast go a long way in designing and formulating policies on issues that affect our day-to-day lives. The ground floor of the institute building is given for the voting centre of the Loksabha Election 2019.

Pani Adawa Pani Jirava (Save Water Campaign)-

Objective of Programme:

- To create awareness in students about the importance of saving water to cope with its scarcity and ensure sustainability.

Save water is water conservation for solving the problems of water scarcity in the future. People are wasting more water than their daily needs in the regions of sufficient water. All of us need to understand the importance of water and problems related to the lack of water in the future. We should not waste and contaminate useful water in our life and promote water saving and conservation among people. To support this thought Institute has organized a rally on "Water Conservation". Students and faculties participated in rally.
