About FDP:

FDP will especially be focused on Innovative Pedagogical Approaches and Effective Teaching Learning. This FDP is organized keeping in mind the revolution that is being taking place in the field of Management education. In teaching, new technologies are being adapted to bring about the change in existing systems for the accomplishment of predestined educational objectives. In order to obtain an teaching outcome it is very necessary to educate with appropriate teaching methods/pedagogy so as to make the students possible potential in all ways regarding the subject matter; and for this the transition of traditional teaching methods to innovative pedagogy is must.

Objectives of Faculty Development Program:

1. To promote innovative and effective pedagogy in classroom
2. To outline the features of outcome based education
3. To promote best practices for teaching management aspirants.
4. To understand the mechanism of CO-PO mapping and CO Attainment
5. To provide information about digital learning resources
