Date: 01/03/2019

Objective of Programme:

HIV and AIDS pose a very real threat to the health of individuals, families and communities in India and to the progress we have made in recent years as a nation. Responding effectively to HIV and AIDS will require a coordinated effort across a number of sectors.

An activity of E-Waste Collection & Donation on 25/01/2019

Objectives of Programme:

- 1) To create awareness among the students regarding increasing e-waste problems
- 2) To collect e-waste from home and neighborhood.
- 3) To submit collected e-waste to PMC's E-waste collection center, Dhankawadi, Pune

Description of Programme:

RIMRD and social souls cell initiated an activity to collect e-waste and to submit it in the PMC's E-waste collection center, Dhankawadi

Due to the presence of these substances, recycling and disposal of e-Waste becomes an important issue. As more e-Waste is placed in landfills, exposure to environmental toxins is likely to increase, resulting in elevated risks of cancer and developmental and neurological disorders

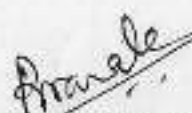

Total 16 Students have collected e-waste from their surroundings and submitted to PMC's E-waste collection center, Dhankawadi, Pune

Outcome:

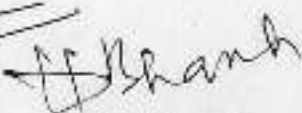

- Awareness was created among the students regarding e-waste.
- Students understood their responsibilities towards e-waste (if generated) then should be properly recycled.
