One Meeting per year:

Organizational chart

Nature and Extent of involvement of faculty and students in academic Affairs/Improvements:

Every faculty member prepares teaching plan for the course subjects allotted to them. The teacher recommends about the sanction of term of students on the basis of attendance and performance. For every group of 15 students, one faculty works as faculty mentor and same faculty informs the parents regarding performance. The faculty mentor does counseling to the students regarding placement, performance, confidence in academic activities, personality development etc. The faculty member conducts soft skill improvement programs regularly to enhance competitive skills of the students. The teaching methodology in the classroom involves case study and group discussion covering the latest industry updates.
